

Sabbatical Report

Beth Moorley – Vice President

January 14th, 2013

Summary

Sport

Attended a Bucs west midlands meeting
Sports management board

Nurse

We went to Shrewsbury for the day with our housing survey and talked with students and how we could help them.

Working with estates to move the desks and ready to paint in the next few weeks.

(Constantly working on a microwave or hot water for in there)

Working towards a shuttle bus service from the train station to BHL

Activities

Awards night venue is booked and looking to finalised pricing and extras.

Sports and societies forums were held and our first activities exec meeting is being held this month. We also let the sports centres know of any problems the teams expressed.

Held a Volunteer ideas café where students came in to review how the volunteer's scheme is going and to help us improve and mind mapped ideas for national volunteer week in February.

Careers

Met with the head of uni temps to see where they are and how there progress is and attended the launch of uni temps

I have been researching what the university do, other university enterprise schemes and written up a more established foundations for our union to show to trustees.

I attended my first HEAR (higher education achievement record) meeting and signed up on a retention rate project the university manage to win funding for.

Worked both Student staff Christmas parties

I and Rochelle did some Employability week planning and met with marketing to further plan the last week in February.

Open day planning
Carol service
Fashion show
